Hi everyone -

I don't think we'll need more than 30 minutes.

I think it's going to be impossible to get us all on the same call, so Ellen please pick the 30-minute interval that works best for your schedule based on the times you proposed and we'll make sure that at least one of us (hopefully more) will be on the call. Once we settle on a time, I'll also ask one of our IDA colleagues to join us as we co-produce the conference with them.

I can do the following times:

2/20 9-10, 12:30 - 1

2/21 12-1

2/23 2:30-3

Thanks! Sorry this is so difficult - guess that just means we're all WAY too busy!!!

Folks - I, too, dropped the ball on responding. It has just been crazy this past week.

I can chat Thursday from 10-11 a.m. and Friday from 2-3 p.m.

Ellen, of the times you still have available this week, which slot(s) work best for you?

Thanks,
Blage

Wonderful,

I know for fact that I won't be around for the President's Day observance and will be at CAMSA conference the 21-23rd. Other than that my schedule is all over the place but I'm sure we can find a time to connect.

Ellen, I look forward to visiting your BID!

Hello everyone,

I wanted to take a moment to introduce you all to Ellen Riotto (copied here). Ellen is the amazing Executive Director of the South Park BID. We talked today about the potential opportunity for South Park to host the 2019 CDA conference, and Ellen is very open to this. I wanted to see if we can all find a time to connect, as she would like to know and understand what exactly that would entail.

Thank you!
